Description

Gorgeous walkout bungalow in the heart of Orleans. Large entrance leads to gleaming hardwood floors throughout the main level. Beautiful open concept kitchen with cream cabinets overlooking the bright living/dining room and gas fire place. Spacious master bedroom with walk-in closet and 4 PC ensuite with soaker tub and separate shower. The main floor also has a 2nd sizable bedroom, large den with french doors, balcony, powder room and convenient laundry. Fully finished basement with a full bathroom, and easy access to the backyard and storage shed through sliding doors.
