Description

Quaint home in quiet, residential area of Rockland. The main floor highlights hardwood floors and a large window that allows lots of natural light. Kitchen features oak cabinets (refreshed in 2017), new countertops (2017), tiled backsplash and stainless steel appliances. The second floor has a large master bedroom with a cheater door to the main bath and two additional bedrooms. The lower level offers a spacious family room with gas fireplace and wet bar, 3PC bath, laundry, a bonus room that could be used as an office, craft room, playroom etc. and storage. The fenced backyard is completed by a deck, patio and above ground pool, perfect for pool parties and summer BBQs.
