Description

Available October 26th 2020! Be the 1st to live in this contemporary condo in growing Half Moon Bay. End unit on ground floor, perfectly designed, open concept layout with 2 bedrooms on main, 1 full bath + huge unfinished basement for storage. The kitchen offers granite counter tops, center island with breakfast bar, undermounted double sink, shaker style cabinets and stainless steel appliances. Gleaming laminate floors throughout the main living space. Master bedroom has a walk-in closet + secondary closet for added storage and access to outdoor deck (7'10" x 8'0"). Laundry (stackable washer/dryer) perfectly located on main floor between both bedrooms. Front entrance has a convenient walk-in closet and lovely porch. *2 PARKING INCLUDED* This condo is perfect for downsizers or professionals who don't have time for maintenance!
